

Self, 2010

Digital media

From the ashes only, Phoenix rise
Stronger from every demise
Depend on yourself, that's all you need
Don't fall victim to anyone's greed

Kiano Zamani

Kiano Zamani, who is taking Interdisciplinary Graduate Studies through UBC, is an emerging media and film artist who has worked extensively on independent and collaborative film and art projects. His exhibitions have gained a following in both gallery and media circles. His work has been featured in newspapers and on radio and local television. His goal as an artist is to make positive changes in communities through the creation of powerful film and art.
